

(c) to what extent the capacity utilisation of BHEL is likely to fall/rise and effect its profitability with the orders position for 1992-93?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SHRI P. K. THUNGON): (a) The value of orders in hand with BHEL is Rs. 6600 crores approximately. These orders are expected to be progressively completed by 1994-95.

(b) and (c) Based on contracted deliveries, BHEL has orders in hand worth Rs. 2700 crores for execution in 1992-83 compared to the budgeted turnover of Rs. 3200 crores for the current year. This order book position will adversely affect the profitability & capacity utilisation in BHEL. The capacity utilisation for power generating equipment in BHEL based on the firm orders, works out to following for 1992-93:

1. Thermal

Boiler 36%

Turbine Generator 55%

2. Hydro 51%

Output in Hyderabad unit of Hindustan Cables Limited

3194. SHRI KRISHNA KUMAR BIRLA: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that the Hyderabad unit of Hindustan Cables Limited (HCL) has been facing sharp deterioration in output and there is a set-back in executing export and domestic orders rendering about 2000 employees idle;

(b) if so, what is the annual percentage of decline in the Hyderabad unit of HCL since 1988-89 vis-a-vis decline in profits;

(c) what are the reasons therefor; and

(d) what measures are contemplated by Government to improve the situation?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SHRI P. K. THUNGON): (a) to (c) During

the last two years, there has been decline in output mainly due to shift in demand pattern of traditional products, severe competition and power restrictions. However, no employee has been rendered idle. Percentage decline in output and profit during the years 89-90 and 90-91 as compared to 88-89 is given below:

Year	Decline in output	Decline in profit
	(in—)	(Rs. in crores)
1989-90	37	24.97
1990-91	44	35.26

(d) Government have approved schemes for conversion of dry core cable capacity to jelly filled cable capacity and diversification into allied fields.
