#### **REFERENCE TO DELAY IN THE RELEASE OF MR. K. DORAISWAMY, EXECUTIVE DIRECTOR, INDIAN OIL CORPORATION**

SHRI SURESH KALMADI (Maharashtra); Madam, I have been raising consistently the question of the release of Mr. Doraiswamy at this time and everytime

the Home Minister is assuring us that he is about to be released, but I think the negotiations have gone *phut*. These militants were released, but the militants have not kept up their part of the agreement and they have not released Mr. Doraiswamy. Now the militants are asking for release of seven more terrorists. I think it is a very bad handling by the Government of this entire episode. The Minister of State for Home Affairs, Mr. Jacob, is here. I would like to know from him what the actual position at the moment is. I think the Government has bungled on this issue. You have left the militants without ensuring that Mr. Doraiswamy is released and now you are faced with a position where they are wanting seven more terrorists to be released. We would like to know what the position is and what action Government is going to take...

*(Interruptions)*

SHRI KAMAL MORARKA (Rajasthan); The matter should be handed over to the Defence...

*(Interruptions)*

SHRI YASHWANT SINHA (Bihar): Madam, it is a very serious matter. It has not only been bungled, but the report also says that they have released, by mistake, the wrong person, that one of the three person released is not the person who was to be released.. *(Interruptions)*.. If this is the way in which the Government is handling this whole matter, it is very surprising. I am grateful to my friend, Mr. Suresh Kalmadi, who is raising it consistently every day. We have not been making a big noise in this House because of the delicate nature of his whole matter, but the manner in which the whole thing is being handled, the way the whole thing is being handled is disgusting in the extreme and, therefore, we must have a statement. We are not even sure today whether Mr. Doraiswamy is alive or not. There are doubts being expressed about that. The Minister of State for Home Affairs, Mr. Jacob, is here. Will he like to make a statement and respond to this?
