#### STATEMENT BY PRIME MINISTER

Re. Surveillance at the residence of Shri Rajiv Gandhi by the Haryana Police.

THE PRIME MINISTER (SHRI CHANDRA SHEKHAR): I am not making a statement. I am only reacting to what the Members said because I don't have a prepared statement before me.

Yesterday, in the othe House, a question was raised that two persons were found in the vicinity of the residence of Shri Rajiv Gandhi. Those two persons were picked up by the Delhi Police. The hon. Members should remember this fact. There is some restaurant. I have not seen that. They Were visiting that restaurant for quite

some time, for two or three days. The Delhi Police men who are posted there to look after the security of the former Prime Minister, caught hold of them, questioned them and asked them why they were loitering in that area for the last two days. They indicated that they are the members of the Haryana Police. They showed their identity cards that they are men of Intelligence for the Haryana Police. They were apprehended. They were interrogated. The preliminary report is that they said that they were instructed by the officers concerned, their officers, to have a vigil on the house of Mr- Rajiv Gandhi. They have been questioned and they Said that a particular Inspector gave this order to them. That inspector is on leave, has not been available. (Interruptions)

The Director-General of Police, Haryana, says that he has not given any instructions of this type.

No sooner the matter came to my knowledge, I immediately ordered an inquiry. The Delhi Police is investigating into the matter. Other Intelligence agencies of the Police are also looking into the matter. We are trying to find out who are the people responsible for this unethical, illegal and totally undemocratic action. I condemn it. I condemned it yesterday in the House. I assure the hon House and the hon. Members that there is no effort on our side to cover up this incident. I categorically say that the Government of India has no hand or had no knowledge. The U.P. Police .... (Interruptions) The Delhi Police took action and this itself indicates that the Government of India is against any such manoeuvre or manipulation that has been ordered by anybody. I assure you, Madam Deputy Chairman, and this House that a serious view has been taken by the Government of India. No sooner we get a full report, *we shall be* able to take action against those who are resoonsible for this totally unethical and illegal order. That is all I can say. ■
