(Maharashtra) : Madam, _____ (*In interruptions*)

THE DEPUTY CHAIRMAN: I have identified him. (*Interruptions*) Mr. Kulkarni.

SHRI V. NARAYANASAMY
(Pondicherry): My matter is important.

THE DEPUTY CHAIRMAN: Well, I think every matter spoken in the House is important, otherwise we wouldn't permit.

SHRI A. G. KULKARNI: He is officiating in the Prime Minister's office and running helter-skelter. Don't run. (*Interruptions*)

I want to draw the serious attention of the Ministers, particularly the the Minister's sitting here though they may be the Caretaker Government, that the assurance...

THE DEPUTY CHAIRMAN:
You say helter-skelter'. As long as it is not for shelter, it is okay? (*Interruptions*)

SHRI A. G. KULKARNI: On that matter, perhaps, there is another Minister of their Cabinet who is running to the President and may go to President Bush also for getting the coalition approved.

Madam, my point is that the Prime Minister when he was present here last week, mentioned two points which are very important to Maharashtra and to other States also. One is, Madam, about the distribution of Dhara oil through public distribution system. The Prime Minister gave an assurance here on that. Madam, in Maharashtra, a great agitation is going on. The Shiv Sena is taking out oil from merchants and forcibly distributing it. That will affect the elections and also the political atmosphere. The Prime Minister said that he would talk to the Chief Minister. The Chief Minister was just now here. I want to know from Mr. Yashwant Sinha who is the Leader of the House, at least by the evening, as to what is the decision

on distribution of Dhara oil through the PDS because that was promised here. And there are reports that the Agriculture Minister is protecting the NDDB. And the second point, . Madam, is that the Prime Minister again promised to have a meeting on the queries raised by my elder colleague, Shankarraoji and other Members about the Development Board. There was a meeting just now but no decision has been taken on the Development Boards. These are vital issues for Maharashtra and for elections in Maharashtra. I draw through you, Madam, the attention of the Finance Minister and the Leader of the House. And again Mr. Kamal Morarka has run away. Don't send your Ministers running here and there. They will go to America.. (*Interruptions*) Please for
