Granite exploitation in Bastar District of Madhya Pradesh

880 SHRI AJIT P. K. JOGI.
KUMARI ALIA;

Will the Minister of STEEL AND MINES be pleased to state;

(a) the regions in Bastar district of Madhya Pradesh leased out for granite exploitation;

(b) the names of the leasees together with the terms and conditions of the lease,

(c) whether Government propose to take action to encourage Industrial growth in Bastar for employment generations;

(d) what steps are concurrently being taken to ensure that the interests of the tribals are protected; they are not displaced and the ecological balance is maintained in spite of these mining activities; and

(e) what benefits are likely to accrue to the local tribals because of these mining activities?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI BASAVARAJ PATIL): (a) Quarry leases for exploitation of granite have

been granted by Government of Madhya Pradesh in Kondagaon, Konta and Kanker tehsils of Bastar District

(b) In all 18 Quarry leases for exploitation of granite have been granted in favour of seven parties as indicated below

| | |
|----------------------------------------|----------|
| (i) M/s Shrichandra Lunia | 1 lease |
| (ii) Shri Viond Lunia | 3 leases |
| (iii) M/s. Arbuda Granite | 4 leases |
| (iv) Shri Mahindra Singh | 1 lease |
| (v) Shri Santosh Kumar Batra | 2 leases |
| (vi) M/s. Emperial Granite | 6 leases |
| (vii) Shri Prakash Bard | 1 lease |

Details regarding location of the lease, date of grant and period of lease are given in the attached statement.

All leases have been granted with the condition that the lease holder should establish cutting and polishing factory within one year from the date of Agreement

(c) With a view to encouraging setting up of industries in Bastar District, the Government of Madhya Pradesh have stipulated that the lessee should set up cutting and polishing factory in the district within one year from the date of grant of lease. Since Bastar district is a 'C' category industrially backward district additional incentives like priority in licencing, concessional finance, etc. are also available to the entrepreneurs for setting up industries in the district

(d) To protect the interest of the tribal inhabitants preference is being given by the State Government to tribal applicants in the matter of grant of mining leases in

Scheduled Areas The Mineral Concession Rules, 1960 also make it mandatory to stipulate in the mining lease deed a provision that in the matter of employment preference should be given to the tribals and also to the persons who become displaced as a result of mining operations in the area. As regards protection of the natural environment and ecology from any adverse effects of mining operations, appropriate legal provisions have been made under the Mines and Minerals (Regulation and Development) Act, 1957 and Rules made thereunder for carrying out mining operations which are environmentally sustainable. Besides, clearance under the Forest (Conservation) Act, 1980 is also essential before any mining activity in forest areas is taken up so that existing forest areas are not adversely affected

(e) Increase in mining activities in tribal areas is likely to result in greater employment opportunities for the local tribals. It may also help to induce some tribal entrepreneurs to take up such mining activities.
