SHRIMATI MIRA DAS:

Will the Minister of TOURISM be pleased to state:

(a) whether Government's attention has been drawn to a news item captioned 'Waiter' there is a blue film on my screen which appeared in the 'Sunday Observer' dated the 5th August, 1990;

(b) whether showing of blue films in ITDC hot Is at midnight has been permitted by Government to attract tourists;

(c) if so, since when such permission is being granted and whether it is not contrary to Government's policy; and

(d) what corrective steps Government propose to take in the matter.

THE MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS AND MINISTER OF STATE IN THE MINISTRY OF TOURISM (SHRI SATYA PAL MALIK): (a) Yes, Sir. The news-item has come to the notice of the Government. The film shown on CCTV in ITDC's Kanishka 'Hotel on 1st & 2nd August, 1990 were not blue film and bore 'A' Certificate of RCA-Columbia Pictures. However, these films were screened in violation of the prevailing contract entered into by the private party with the Hotel Management.

(b) No, Sir.

(c) Does not arise

(d) The contract of the present supplier of films to Kanishka Hotel has not been renewed and the party has been given due notice for termination of the existing contract. Besides, ITDC has issued instructions to its hotel units to strictly screen only those films on CCTV which have been duly certified by the Central Board of Film Censor.

Decline in Credit Deposit Ratio

1894. SHRI TALARI MANOHAR:
Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that credit deposit ratio in most of the States has declined;

(b) if so, what are the details thereof, Statewise; and

(c) if so, what are the reasons, therefore?

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRI ANIL SHASTRI): (a) to (c) A Statement giving statewise credit deposit ratio of all Scheduled Commercial Banks as on March 1989 and March 1990 (latest available) is enclosed (*See below*) The variations in credit deposit ratio differ from State to State. The credit extended by bank in any particular geographical area is determined by various factors such as the level of economic activity, which in turn is influenced by several factors such as availability of infrastructural facilities like transport and power, proximity to sources of raw material, access to marketing local entrepreneurship etc. As a consequence credit deposit ratios differ among regions.
