

Health Sub Centres in Assam

704. SHRI BHADRESWAR BURAGOHAIN: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state;

(a) what is the number of health sub-centres in Assam;

(b) how many of them have their own buildings; and

(c) how many buildings are proposed to be built during 1990-91?

THE MINISTER OF ENERGY WITH ADDITIONAL CHARGE OF THE MINISTRY OF CIVIL AVIATION (SHRI ARIF MOHD. KHAN): (a) According to the information made available by the State of Assam, 5110 sub-centres are functioning as on 31st March, 1990.

(b) and (c) 1500 Sub-centres are functioning in their own buildings while 100 buildings are under construction. Planning Commission has recommended construction of 200 sub-centres buildings in Assam during the year 1990-91.

Construction of Hotel/Hospital on Airport land to Hyderabad

705. DR. YELAMANCHILI SIVAJI: Will the Minister of CIVIL AVIATION be pleased to state:

(a) whether it is a fact that National Airports Authority offered airport land at Hyderabad for construction of hotel/hospital;

(b) if so, how many persons applied for the land;

(c) what was the highest bid;

(d) whether the land was allotted to the highest bidder, if not, what were the reasons therefor;

(e) whether the allottee has now been allowed to construct a club there; and

(f) if so, what are the details in this regard?

THE MINISTER OF ENERGY WITH ADDITIONAL CHARGE OF THE MINISTRY OF CIVIL AVIATION (SHRI ARIF MOHD. KHAN), (a) Yes, Sir.

(b) 55 persons.

(c) Rs. 1138 lakhs.

(d) No, Sir. The National Airports Authority appointed a committee consisting of three members who found that the highest offer was lacking in details of the project, mode of financial and technical collaboration with other hotels etc., and, therefore, the next highest offer was accepted.

(e) and (f) The allottee is constructing a swimming pool and a health club as a part of the hotel project.

Demand and supply position of Nitro-Chloro Benzene Isomers

706. DR. YELAMANCHILI SIVAJI: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) what is the demand and supply position of Nitro-Chloro Benzene Isomers in the country;

(b) what are the names of the producers and consumers of this item; and

(c) whether there is any gap between the supply and demand of Nitro-Chloro Benzene Isomers, if so, what steps are being taken to fill the gap?

THE MINISTER OF PETROLEUM AND CHEMICALS (SHRI M. S. GURUPADASWAMY): (a) The demand for Nitrochloro benzene Isomers for 1989-90 is now estimated at 13, 200 tonnes. The production of these Isomers during 1989-90 is estimated at about 10, 800 tonnes. The demand for these Isomers for the year 1990-91 is estimated at 14, 600 tonnes.

(b) M/s. Hindustan Organic Chemicals Limited is the major producers of these Isomers. The other small producers are M/s. J. D. Agro Industries, M/s. Vividha, M/s. Chemi Organics (Chemicynth) and M/s. Aarthi Organics. These Isomers find usage in drugs, pesticides, rubber chemicals and dyes industries.
