THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI ANNASAHEB M.K. As per the existing guidelines, schemes or projects can be taken up under Sub-mission on sustainability under ARWSP. State Governments have been delegated powers to utilise upto 25% of 20% of ARWSP fund for the Sustainability Sub-Mission projects. Further, under PMGY-Rural Drinking Water component, provisions have been made to utilise minimum 25% of the funds on schemes or projects on water conservation, water harvesting, water recharge and sustainability of drinking water sources in respect of DDP/DPAP areas, over-exploited, dark/grey blocks and other water stressed/drought affected areas. The State-wise availability of funds under ARWSP and PMGY (DWS) for 2001—2002 and sustainability funding potential in these programmes is furnished in the enclosed Statement. (See below).

(c) and (b) Yes, Sir. The Government of India has issued detailed guidelines for implementation of Schemes and Projects on Sustainability under ARWSP and Rural Drinking Water component of PMGY. Appeals have also been made to Hon'ble Members of Parliament to take up projects to augment the drinking water supply/groundwater recharge like rainwater harvesting, etc., under MPs Local Area Development Programme.

(e) In the Conference of State Ministers incharge of Rural Drinking Water Supply held on 19th and 20th October, 2001 for reviewing the progress of implementation of schemes under ARWSP and PMGY (Rural Drinking Water), there was a consensus on the need and urgency for taking up more number of schemes under Sub-Mission on Sustainability by utilising the funds earmarked under ARWSP and PMGY (Rural Drinking Water) in view of the recurring water scarcity situation in the country.
