

duction of foodgrains during 1987-88 and 1988-89 were 140.35- and 170.25 million tonnes respectively.

The final estimates of production of foodgrains for 1989-90 have not yet become due from the States. However, according to the present assessment, the production of total foodgrains is expected to be in the range of 170-173 million tonnes.

(b). The Steps being taken by Government to maintain appreciable growth rate of foodgrains production include:

...

- (i) Expansion of area under high yielding varieties/hybrids of rice, wheat, maize, jowar and bajra;
- (ii) Minikit Progiamm* of rice, wheat, maize and millets, including Propagation of new technology;
- (iii) Special Foodgrains Production Programme (SFPP) of rice (including SRPP) wheat, maize, arhar and gram;
- (iv) National Pulses Development Programme;
- (v) Shallow Tubewells and Dugwells Programme in SFPP States under Assistance to Small and Marginal Farmers;
- (vi) National Watershed Development Programme for Rainfed Agriculture.

Unmanned gates near Tippanampatty and Nattarpatty

442. SHRI S. K. T. RAMACHANDRAN : Will the Minister of RAILWAYS be pleased to state what steps have been taken by Government to comply with the long standing demand of the villagers of Nattarpatty and its surroundings to provide manual operated on mechanical operated

gates in place of existing unmanned gates near Tippanampatty and Nattarpatty villages and in between Pavurchutram and Mettur railway stations lying in Tirunelvely- Tenkasi main line in Southern Railway; so that town-bus operations could link the two important villages, Tippanampatty and Nattarpatty "directly? "

THE MINISTER OF RAILWAYS (SHRI GEORGE FERNANDES) : Manning of the existing unmanned level crossing No. 80 at Km.88/6-7 between Pavur--chutram and Mettur stations has been included in " the Railways" Works Programme of 1990-91.
