#### **Installation of Satellite Communica- tion network of Airports in the country**

628. SHRI D. B. CHANDRE GOW-  
DA: Will the Minister of CIVIL  
AVIATION AND TOURISM be  
pleased to State:

(a) whether Government propose to  
Avail of the satellite communication  
network to maintain effective control  
of the air traffic system;

(b) if so, whether Government pro-  
poses to instal mini and micro satellite  
earth stations at international and major  
airports in the country; and

(c) if so, what are the details of the  
said satellite communication net-

work; and. the details of the airports on

which this system is proposed to be  
introduced and to what extent the  
smooth plying of air traffic system  
would be possible?

THE MINISTER OF STATE OF  
THE MINISTRY OF CIVIL AVIA-  
TION AND TOURISM (SHRI SHIV-  
RAJ PATIL): (a) Yes., Sir.

(b) Yes, Sir.

(c) The bulk of communication  
traffic is exchanged at the 4 interna-  
tional airports at Delhi, Bombay, Cal-  
cutta, Madras and the airport at Nag-pur  
(international alternate). These airports  
are planned to be compatible earth  
stations for inter communica. tion  
purposes via domestic satellite INSAT  
I-B. The existing means of  
communication hotlines and tele-  
printer channels are often out of order  
for various reasons like digging of  
roads accumulation of water due to  
heavy rains, etc. The communication  
channels provided through earth  
stations installed at the airports wil3  
obviate these situations. This mode of  
satellite communication will be more  
reliable In adverse conditions as well  
for voice communication to exchange  
information about movement of aircraft  
for one flight information region. to  
another and for printed communication  
to exchange information pertaining to  
flight plans, flight, regularity, operational  
status of navigational aids and weather  
conditions. The system is expected to  
provide more than 97 per cent  
availability of speech and teleprinter  
channels.
