**Ban on use of celphos for preservation of foodgrains**

1293. SHRI SURENDRA SINGH THAKUR: Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government are aware of the severe toxic effects of 'celphos' on human being which has no antidote;

(b) if so, what steps have been taken by Government to ban the use of 'celphos' in preservation of foodgrains;

(c) whether it is a fact that 'celphos' used in preservation of foodgrains gets assimilated in foodgrains and creates toxic effects in the foodgrains thereby jeopardising health of the consumers; and

(d) if so, what steps have been taken by Government to remove the toxic effects from the foodgrains meant for human consumption?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION IN THE MINIS-

TRY OF AGRICULTURE (SHRI SHY-AM LAL YADAV): (a) Yes, Sir

(b) The Registration Committee constituted under the Insecticides Act, 1968, has already imposed restrictions on the sale and use of Aluminium Phosphide. Aluminium phosphide can only be sold to the Government/Government Undertakings/Organisations like Ware-housing Corporations, Food Corporation of India etc., and such insecticide is to be used strictly under the supervision of the Government expert or by pest control operators whose expertise has been approved by the Plant Protection Adviser to the Government of India.

(c) Since the Phosphine gas released by celphos is present only temporarily in the foodgrains no health hazard is caused if recommendations as to use and practice are followed strictly.

(d) Does not arise.
