No system of local purchase/indenting of non-available Unani medicines from Super Bazar is in vogue as the Super Bazar does not stock Unani medicines. However, an amount of Rs. 150/- has been placed at the disposal of M.O. In-charge of Unani dispensary for arranging the supply of non-available Unani medicines which is considered essential.

As per policy of the Government all Unani medicines are procured from Indian Medicines Pharmaceutical Corporation Limited, a Government of India Undertaking. However, medicines included in the C.G.H.S. unani formulary and not manufactured by IMPCL are purchased from firms registered under C.G.H.S. by concluding the rate contract. There is no standardization of Pharmacopeia for Unani Medicines so far and as such traditional methods of Physical examination of medicines by smell, colour and consistency etc. are used by experienced Physicians for selection of Unani medicines.
