(a) When the talks with the agitating technicians of Telecommunication Department were held last; and

(b) What are the demands made at the meeting and what decisions were taken in this regard?

THE MINISTER OF COMMUNICATIONS (SHRI BIR BAHADUR SINGH) : The Starred Question No. 343 answered on 22-8-88 did not relate to the demands of Telecom. Technicians. Presumably, the Hon'ble Member has in mind an Unstarred Question No. 653 answered on 1-8-1988.

(a) Talks were held with the agitating employees as late as 30th August, 88 and 31st August, 1988.

(b) The Union representatives made a demand for withdrawal of the administrative instructions dated 25-7-88 issued by the Department for meeting the situation arising out of agitation and for maintenance of telecom. services. This demand could not be accepted for obvious reasons so long as agitation is current and since the Department has the responsibility of providing telecom. services to the public.
