#### **Decentralisation of Plan Formation in the Industrial Sector**

\*306. SHRI K. V. THANGKABALU : Will the Minister of PLANNING be pleased to state :

(a) whether Government have taken a decision to decentralise the very process of plan formation, particularly in the industrial sector;

(b) if so, what are the suggestions made by the experts in this regard;

(c) whether Government have examined their suggestions; and

(d) if so, the final decision taken thereon ?

THE MINISTER OF PLANNING AND THE MINISTER OF PROGRAMME IMPLEMENTATION (SHRI MADHAV SINH SOLANKI) : (a) to (d) It is the view of the Government that in areas of development which directly impinge on the living conditions of the majority of the people, the impulses and ideas of development should generate at local levels. As an on-going exercise of enlarging the scope of participation in the planning process at different levels and regions. Government is taking steps to strengthen and systematise multilevel planning—particularly at the District Level in relevant sectors including Small & Village Industries.

For determining the goals and for evolving the strategy and approach for industrial growth in the Eighth Plan, the Planning Commission has already initiated its exercise. Concerned Ministries/Departments of the Government of India, industry associations, State Governments and others are being appropriately associated with this exercise.

The report of the Working Group on District Planning has suggested that to make decentralised planning a success, capabilities for decentralised planning, right procedures, suitable structures, technical, administrative and attitudinal changes have to be brought about. They have also suggested that various initiatives and improvisations should be introduced cautiously, providing adequate time for assimilating them.
