Jobs to minorities in corporate sector

877. SHRI ABDUL WAHAB PEEVEE: Will the Minister of CORPORATE AFFAIRS be pleased to state:

- (a) what affirmative action Government proposes to take in the corporate sector for providing jobs to minorities;
- (b) whether Government has sought details from the Industry over their representation in employment; and
- (c) if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF CORPORATE AFFAIRS (SHRI SALMAN KHURSHEED): (a) to (c) The provisions of the Companies Act, 1956 do not empower the Government to advise the corporate sector for providing jobs to minorities.

However, the Government has started the process of developing a common perspective on the issue of voluntary affirmative action by the corporate sector, and recently an interaction with the representatives of corporate sector and related stakeholders was organized jointly by the Confederation of Indian Industry and the National Foundation for Corporate Governance.

Wind energy generation

878. SHRI SANJAY RAUT: Will the Minister of NEW AND RENEWABLE ENERGY be pleased to state:

- (a) the total increase in wind energy generation during the last three years. State-wise; and
- (b) the steps taken/proposed to be taken by Government to increase wind energy generation in the country?

THE MINISTER OF NEW AND RENEWABLE ENERGY (DR. FAROOQ ABDULLAH): (a) A wind power capacity of 4889 MW has been added in last three years, taking the total installed capacity to

10,242 MW. State-wise installed capacity in last three years is given in the statement (See below).

(b) The Government promotes wind energy generation in the country through fiscal incentives such as accelerated depreciation, concessional import duty on certain components of wind electric generators, excise duty exemption, ten years' tax holiday on income generated from wind power projects, and loan from Indian Renewable Energy Development Agency (IREDA) and other financial institutions. Technical support, including detailed wind resource assessment to identify further potential sites, is provided by Ministry's Centre for Wind Energy Technology (C-WET), Chennai. This apart, preferential tariff is being provided to increase wind energy generation in the potential States.
