(b) if so, the details thereof;

(c) whether it is also a fact that the Central Government has allowed States to borrow money from the market; and

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI NAMO NARAIN MEENA):

(a) to (d) Finance Ministers of some States requested the Central Government during pre-budget consultation held on 11 June, 2009 with the Union Finance Minister, to amend Fiscal Responsibility and Budget Management (FRBM) Act and allow them to borrow more money. The main issues raised by the State Finance Ministers are given in the Statement. (*See below*).

A statement showing amounts borrowed by the States from the open market during 2006-07, 2007-08 and 2008-09 is given in the Statement-II.

Statement

Amendment to FRBM Act

Sl. No.	State	Request made by the States regarding relaxation of fiscal deficit targets under Fiscal Responsibility and Budget Management Act during the pre-Budget consultations with the Union Finance Minister
1.	Himachal Pradesh	Fiscal Responsibility and Budget Management (FRBM) target of 3.5% fiscal deficit is unrealistic due to the impact of 6th Central Pay Commission recommendations and this is hampering the investment in Power, Agriculture sectors etc. FRBM Act needs to be amended accordingly.
2.	Rajasthan	Additional market borrowings required to implement flagship programmes. Larger borrowing limits for the States to be considered. Similarly limit for fiscal deficit should also be increased.
3.	West Bengal	The entire structure of FRBM Act to be reviewed by an Expert Group.
4.	Bihar	FRBM targets should not be made operational for this year. Fiscal deficit target to be allowed further relaxation and kept at 5% GSDP.
5.	Andhra Pradesh	Higher fiscal deficit target for 2009-10 would help to go for Capital Expenditure to give additional stimulus to the economy.
6.	Gujarat	FRBM Act targets cannot be achieved. Therefore policy statement in this regard should be made.
7.	Jammu and Kashmir	It is not possible to comply with the parameters laid down in the FRBM Act. Expert Group needs to be appointed for a review thereof. Fiscal deficit to be borne by the Centre fully.
8.	Karnataka	FRBM Act needs to be revised to facilitate increase borrowings by States.
9.	Kerala	FRBM policy needs review with the States given necessary freedom.
10.	Madhya Pradesh	FRBM—Loans GSDP of 3.5% be increased to 5%.
11.	Punjab	FRBM Act needs to be reviewed on an annual basis.

Impact of strike calls on prices of commodities

3404. SHRI RAJKUMAR DHOOT: Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that Government has assessed the impact of strike by truck operators and public sector petroleum companies officers on the price rise of commodities;

(b) if so, the details thereof; and

(c) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI NAMO NARAIN MEENA):

(a) to (c) It is difficult to assess the impact of the strike by truck operators and public sector petroleum companies officers on the price rise of commodities as prices are determined by several factors affecting their demand and supply. However, overall inflation, which had been declining consistently since mid-September, 2008, increased by 13 basis points and inflation in food index increased by 33 basis points in the week of the strike (January 10, 2009 over January 3, 2009).
