

The stay of an emigrant in the host country becomes illegal either due to irregular entry or due to overstay of a visit visa, the work permit or the residence permit.

The Government has taken steps with a view to prevent Indian emigrants from becoming illegal emigrants and to mitigate the difficulties of those rendered illegal.

Besides awareness campaigns amongst intending emigrants about legal emigration procedures, risk of illegal migration and precautions to be taken during emigration, the Government has also established an Overseas Worker Resource Centre (OWRC) to provide need based authentic information to the intending emigrants on all aspects of emigration including the credentials of recruiting agents.

The Government has signed MoUs with the major receiving countries to lay down the framework for bilateral cooperation for protection and welfare of workers. Joint Working Groups have been constituted to find practical bilateral solutions to labour related problems. The Government has established Indian Community Welfare Fund (ICWF) in all ECR countries to provide onsite support to the affected emigrants. The Indian missions provide all necessary assistance for the return of illegal emigrants.
