(c) and (d) Projection for export of shrimps in next three years has not been made as the same would depend on availability of shrimps from various sources such as sea, deep sea and aquaculture. The steps taken to increase the export of shrimps from various coastal States including the State of Orissa include advising shrimps farmers to adopt the preventive measures against occurrence of disease, setting up PCR/Dot Blot testing facilities in Regional Centres of Marine Products Export Development Authority (MPEDA), monitoring ponds for providing assistance to undertake proper farming management, initiating a project through NACA (Network of Aquaculture Centres in Asia Pacific) Thailand for extending technical assistance for shrimp disease management, extending subsidy assistance for setting up Effluent Treatment System in shrimp farms, keeping farmers aware of the latest market trends, extending technical, financial and training assistance, etc.

Edible Oils Imported under OGL

†1558. SHRIMATI KUM KUM RAI: Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) the names of edible oils imported under Open General Licence Scheme during the years 1997-98, 1998-99 and 1999-2000;
