Payment of Salary to DRDA Employees

*377. SHRI K.E. ISMAIL : Will the Minister of RURAL DEVELOPMENT be pleased to state :

(a) whether Government is aware that most of the employees of District Rural Development Agencies (DRDA) in some States have not been getting their salary for the last few months due to stoppage of funds by the Central Government as per some guidelines;

(b) if so, the details of new guidelines issued and States which not paid the salary regularly;

(c) whether the Sixth Pay Commission's recommendations have not been implemented in the case of DRDA employees;

(d) if so, the details thereof and Government's reaction thereto; and

(e) what measures are being taken to ensure timely payment of salary of DRDA employees and also to implement the Sixth Pay Commission's recommendations in their regard?

THE MINISTER OF RURAL DEVELOPMENT (SHRI C.P. JOSHI): (a) No. Sir. There is no stoppage of funds to any State by the Central Government under District Rural Development Agency (DRDA) Administration Scheme.

(b) No new guidelines have been issued effecting stoppage of salary to DRDAs. During the current financial year out of total allocation of Rs. 250 crore an amount of Rs. 183.46 crore

has already been released to all States. The Government of Arunachal Pradesh has reported that the DRDA employees are not being paid salaries and wages for the last eight to ten months due to paucity of funds.

(c) and (d) DRDA being the society of the State Government, the salary structure of its employees is decided by the States. The decision regarding implementation of the Sixth Pay Commission's recommendations in respect of DRDA employees rests with the State Government. Under the DRDA Administration Scheme, administrative cost ceiling is fixed by the Central Government, of which 75% (90% in case of North Eastern States and 100% in case of Union Territories) is shared by the Government of India and 25% in case of non-North Eastern States (10% in case of North Eastern States) is shared by the States. Any increase over and above this ceiling should be met entirely by the State Governments.

(e) There is no delay on the part of the Ministry in release of funds to the DRDAs. The Ministry releases the 1st instalment (which is 50% of the budgeted allocation) at the beginning of the financial year to eligible DRDAs and releases funds for the 2nd instalment on receipt of proposals from the concerned States/DRDAs as per the financial norms. Efforts are being made to get higher allocation under the Scheme from the Planning Commission to meet the salary requirement of DRDA staff as per the requirements indicated by the State Governments.
