Supreme Court directions on price fixation of drugs

2355. SHRI BEKAL UTSAAHI: Will the Minister of INDUSTRY be pleased to refer to the answer to Unstarred Question 126 given in the Rajya Sabha on the 9th November, 1987 and state:

(a) whether the Supreme Court gave certain directions to Government in their judgements dated the 10th April, 1987 and 1st May, 1987 while dismissing the petitions of the drug companies against price fixation of drugs by this Ministry; and

(b) if so, what are the details thereof and what action has been taken in the light of each direction?

THE MINISTER OF STATE IN THE DEPARTMENT OF CHEMICALS AND PETROCHEMICALS IN THE MINISTRY OF INDUSTRY (SHRI R. K. JAI-CHANDRA SINGH): (a) and (b) The Supreme Court while dismissing the ^{with} petitions filed by various companies in their judgements dated 10-4-1987 and 1-5-1987 directed the Government to dispose of the review applications filed by the various drug companies against the prices fixed by the Government for concerned bulk drugs/ formulations by giving a hearing to the

companies within a period of 8 weeks from the date of the judgement and thereafter to fix the prices within two weeks from the date of conclusion of the hearing. Hearing was given to the concerned companies as per the directions of the Supreme Court and further action has been taken as per due process of law. Some amounts have been recovered from some of the companies

Decontrolling prices of finished medicines

2356. SHRI BEKAL UTSABI: Will the Minister of INDUSTRY be pleased to state:

(a) whether it is a fact that Government have exempted the imported finished medicines from price control under DPCO, 1987;

(b) whether it is also a fact that none of the imported medicines are based on drugs included for price control under categories I and II;

(c) if so, how exemption of imported formulations will help boosting of indigenous production-

(d) whether it is also a fact that prices of imported inactivated Rabies Vaccine, Measles Vaccine, MMR Vaccine Meningococcal Vaccine and other Vaccines and sera have gone up by 15 per cent to 50 per cent after the announcement of DPCO, 1987; and

(e) if so, what is the justification for these increases of prices?

Production of tonics and vitamins

2357. SHRI CHANDRIKA PRASAD TRIPATHI: Will the Minister of INDUSTRY be pleased to state:

(a) whether it is a fact that a number of drug companies concentrated mainly on the production of tonics and vitamin preparations in the past and made huge profits instead of producing essential medicines;

(b) if so, whether it is also a fact that all major ingredients such as enzymes iron salts, vitamins, etc., going into the production of tonics and vitamin preparations have been excluded from price control;

(c) whether it is also a fact that Government have increased the mark up by 40 per cent on these preparations; and

(d) if so, how these steps will discourage the productions of tonics and vitamin preparations and encourage the production of essential medicines?

THE MINISTER OF STATE IN THE DEPARTMENT OF CHEMICALS AND PETRO-CHEMICALS IN THE MINISTRY OF INDUSTRY (SHRI R. K. JAI-CHANDRA SINGH): (a) to (d) Product mix of same companies indicated higher proportion of these items than other medicines. With a view to discouraging this trend, rate of MAPE for the most of the essential drugs has been increased to encourage their production where as all vitamin combination formulations have been kept under price control, under the DPCO, 1987.
