

भारत सरकार ने शुष्क शौचालयों को जलधारित शौचालयों में बदल कर सफाई कर्मचारियों की मुक्ति की एक योजना चलाई है। जहां शहरी विकास मंत्रालय ने बड़े नगरों के समावेश की योजनाएँ बनाई हैं, वहीं कल्याण मंत्रालय ने, "समग्र नगर उपागम" आधार पर छोटे और मध्यम नगरों में यह कार्यक्रम चलाया है। ग्रामीण विकास विभाग भी इस कार्यक्रम को ग्रामीण क्षेत्रों में चला रहा है। इस प्रकार विमुक्त सफाई कर्मचारियों को अन्य व्यवसायों में पुनर्वासित किया जा रहा है।

Inclusion of Physio Therapy and Occupational Therapy in rehabilitation courses

3299. KUMARI SAYEEDA KHATUN: Will the Minister of WELFARE be pleased to state;

(a) whether it is a fact that Rehabilitation Council has standardised the courses in Physiotherapy and Occupational Therapy;

(b) whether it is also a fact that the Ministry of Health has requested the Welfare Ministry not to include Physiotherapy and Occupational Therapy in Rehabilitation Courses; and

(b) if so, the reasons for which these courses have been standardised?

THE DEPUTY MINISTER IN THE MINISTRY OF WELFARE (SHRIMATI SUMATI ORAON): (a) to (c) The Rehabilitation Council was constituted under Executive Order with the concurrence of the Ministry of Health and Family Welfare who had agreed that physiotherapists and occupational therapists may also be included in the said Council. The Council accordingly circulated a model course for adoption by institutions under the Ministry of Welfare imparting training in Physiotherapy and occupational therapy which are essential in the work of rehabilitation. Subsequently the Ministry of Welfare proposed to provide a statutory basis to the Rehabilitation Council. The Ministry of Health was consulted in the drafting of the Bill and they advised to keep physiotherapists and occupational therapists outside the Council to be set up by the legislation. The Bill has not been finalised.
