THE DEPUTY CHAIRMAN: In that case there won't be any statement from the Minister.

SHRI PARVATHANENI UPENDRA: (Andhra Pradesh): How can you say that? If he is saying something, why should you deny us the Minister's statement?

THE MINISTER OF DEFENCE (SHRI K. C. PANT): Madam Deputy Chairman, you have asked me to make a statement. In actual fact it is not a statement. It is information which was sought by some Members of the House. I was told they wanted some information. I have collected whatever information that I could. I have brought it before the House. The House was informed on April 20, 1987 by the former Rajya Raksha Mantri that Government were making inquiries into the allegations that there was an Indian agent of Messrs HDW of the Federal Republic of Germany and that he has been paid commission in connection with the contract of supply of submarines. Government will make public the results of the inquiries as soon as they are completed. Certain questions were raised today in the House by the honourable Members on the basis of reports appearing in the press. I would request the House to await the results of the inquiries which are in progress and not to rush to conclusions. Government are in touch with the Government of the Federal Republic of Germany and Messrs HDW in this connection. Various questions regarding this matter have already been answered by the Government in the

House on the basis of information available. Today some Members have referred to this Globetech International Corporation. According to information furnished by HDW, the Company engaged this Corporation through an agreement effective from June 1, 1982 on payment of 6 000 DM per month for providing support services and other activities for the fulfilment of the contract. It should be noted that this agreement became effective from June 1, 1982 while the contract for supply of submarines was signed by the Government of India on December 11, 1981. It has been further stated that the Globetech International Corporation have no authority to act or negotiate for or on behalf of HDW. According to the information furnished by HDW, no commission was paid to this Corporation in regard to the contract for the supply of submarines. This information is also the subject-matter of the inquiries in progress. It is unfortunate that unwarranted aspersions are being cast while the inquiries are still in progress. I would reiterate that Government are determined

to ascertain the full facts of the case and take action as per the law. The House will appreciate that the investigating agencies are working under the handicap of premature publicity of sensitive information by the former Defence Minister regarding this case.

SHRI PARVATHANENI UPENDRA:  
Madam, I want... (Interruptions).

THE DEPUTY CHAIRMAN: No clarifications. The honourable Minister himself has said that this is not a statement, but it is just information given on the points raised by the Members... (Interruptions). Therefore, there is no question of any clarification... (Interruptions)...
