THE DEPUTY MINISTER IN THE MINISTRY OF PERSONNEL, PUBLIC GRIEVANCES AND PENSIONS

(SHRI BIREN SINGH ENGTI): Mr. Chairman, I beg to lay on the Table a statement (in English and Hindi) correcting the reply given in the Rajya Sabha on the 4th December, 1986 to Unstarred Question 3126 regarding Practicability of New Timings of Central Government Offices. RE PAPERS LAID ON THE TABLE

SHRI GHULAM RASOOL MATTO (Jammu and Kashmir): Mr. Chairman, I have a point of order to raise before you call the Ministers to lay Papers on the Table. On page 49 of today's Revised List of Business • under n(d) it is stated, "Statement giving reasons for the delay in laying the papers mentioned at (a) and (b) above". There are reports, annual reports, of six companies sought to be laid on the Table of the House, on pages 49, 54 and 57. In all the cases it is mentioned under (d) that there is a statement giving reasons for the delay in laying the papers. Now, this delay can take place either by the company in not following strictly the Company Law or other law, or by the Government in reviewing. Will you kindly look into the matter and ask the Committee on Papers laid on the Table to frame guidelines that this sort of excuse will not be acceptable in certain cases?

MR. CHAIRMAN: Guidelines already exist. This matter will be looked into by the Committee on Papers laid on the Table—that is, the point raised by Shri Matto.

Now I call the Papers to be laid on the Table.
