THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): (a) to (c) The Commissioner for Scheduled Castes and Scheduled Tribes in his reports from the year 1970-71 to 1979-81 has been urging the University Grants Commission to take necessary action to persuade the Aligarh Muslim University for making 'reservations for Scheduled Castes and Scheduled Tribes for admission to medical courses in the Jawaharlal Nehru Medical College. The University Grants Commission had addressed a letter to the Vice-Chancellors of all the Central Universities on the 25th August, 1982. that reservation for admission to undergraduate and post graduate seats should be made on the basis of 15% for Scheduled Castes, 7.5% for Scheduled Tribes candidates. The Ministry of Health and Family Welfare in their letter dated the 17th September, 1983 addressed to the Vice-Chancellors of all Universities urged the Universities to make reservations for Scheduled Castes and Scheduled Tribes as requested by the University Grants Commission in their letter re-

ferred to above. However, as per the information received from the Aligarh Muslim University, there is no reservation for any category of candidates according to the decision taken by the academic Council of the University and that the admission is based on an All India open competition entrance test. It is proposed to amend the Indian Medical Council Act, 1956 making it obligatory for every medical college to provide for reservation of seats for Scheduled Castes/Tribes in accordance with the orders made by the Government from time to time.
