

(c) whether the non declaration of Narmada and Tapi as National Waterways, is likely to adversely affect inland water transport development in two important and major rivers of Gujarat?

THE- MINISTER OF STATE OF
THE MINISTRY OF SURFACE
TRANSPORT (SHRIRAJESH
PILOT): (a) Yes, Sir.

(b) and (c) Due to constraints of resources it has not been included in VII Plan. Besides, for declaring a waterway as a National Waterway Techno-economic feasibility Studies, Hydrographic Surveys and Traffic. Studies are prerequisites. Accordingly, pre-feasibility Study for navigation on the Narmada and the Narmada Main Canal was carried out. The State-I of the Technical Feasibility Study and cost of methods to pass four Major Dams was also carried out with Dutch collaboration. The State II & III of the Feasibility Study to Identify measures for introduction of river services through difficult stretches and financial and economic analysis respectively is yet to be undertaken. With (regard to the Tapi) the studies are envisaged at a later stage, in view of its low cargo potential and difficult navigability compared with other waterways identified for being considered for declaring as National Waterway.

Samples Testing of Drugs in the Country

0441. SHRI BHUBANESHWAR KALITA:
SHRI RAJNI RANJAN SAHU;

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:
