

as the Fertilizer Corporation of India; and

(b) if so, what steps Government are taking to help the jute industry ?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES (SHRI K. IURSHID ALAM KHAN) : (a) and (b) It is a fact that synthetic bags are being widely used in the fertilizer sector including the Fertilizer Corporation of India because of consumers preference. However, the Government has been taking corrective measure from time to time to safeguard the interests of jute industry. The measures taken include :

(i) In the present Union budget, excise duty has been imposed on HDPE/PP tapes and import duty on granules has also been marginally increased ;

(ii) Persuading other user Departments to encourage use of more jute bags instead of synthetic substitutes for packing fertilizers and compulsory use of 100 % new jute bags by cement Industry ;

(iii) Providing higher cash compensatory support (CCS) for export of jute goods ;

(iv) Introducing a Scheme of buffer stocking of raw jute so as to ensure availability of jute to mills at reasonable prices ;

(v) Improving the competitiveness of jute goods vis-a-vis synthetic substitutes through fiscal and R&D efforts.
