वह स्पष्टतया बता दे कि केन्द्रीय सरकार में और राजस्थान सरकार में हो रहे झगड़ों में समझौता कब तक हो जाएगा। और राजस्थान कैनल पर जो काम रुका हुआ है वह कब से शुरू होगा? दूसरी बात यह कि जब तक वह कैनल पूरी नहीं हो जाता तब तक राजस्थान को जिस मात्रा में रावा-ब्यास से पानी मिलने का अधिकार है वह नहीं मिलता क्योंकि राजस्थान कैनल पूरा हुई नहीं है जिसकी वजह से राजस्थान उस पानी को नहीं ले पा रहा है। इराडा कमिशन में रावा-ब्यास पानी के समझौते को लेकर उस पर प्रभाव नहीं पड़ेगा इस प्रकार का स्पष्ट उल्लेख केन्द्रीय सरकार करे।

REFERENCE TO THE AGITATION BY KERALA YOUTHS DEMANDING EMPLOYMENT OR UNEMPLOYMENT ALLOWANCE

SHRI M. A. BABY (Kevala): Thank you, Mr. Deputy Chairman, for permitting me to mention a very grave situation existing in Kerala following the unprecedented youth movement demanding employment or unemployment allowance.

Sir, as you very well know, Kerala is a State where more than 25 lakh youths are registered in employment exchanges as unemployed. But the present State Government is not taking appropriate measures, as in the case of most of the Congress-I-ruled States, to either give employment or unemployment allowance. Whereas the earlier Left Democratic Front Government could cover around 2 lakh unemployed youth in the scheme of unemployment allowance, the present State Government has done away with that practice and has reduced the number of youths who are being given unemployment allowance.

During the last one month, under the leadership of Democratic Youth Federation of India which commands the support of more than 13 lakh youths in the State of Kerala, an Gandhian-type agitation—i.e. a sit-in agitation—is going on. But I

unfortunately the State Government, instead of giving them unemployment allowance or employment, is resorting to very very heinous and brutal torture, and firing has taken place in so many places. I would like to warn the State Government that there are more youths in the State of Kerala than can be murdered through violence and firing. I would like to take this opportunity to urge upon the Central Government to provide sufficient funds, not under non-plan allocation but under plan allocation itself, to not only provide employment but also to provide for unemployment allowance. Otherwise the youth movement will have to take more serious steps and more stringent action. I hope that the Central Government will instruct the State Government to abide by lawful measures rather than taking recourse to unlawful measures like firing on youth.

REFERENCE TO THE ATTEMPT TO SUPPRESS FREEDOM OF PRESS

SHRIMATI RENUKA CHOWDHURY

(Andhra Pradesh): Sir, there have been some alarming allegations made against a man holding a very high office—that is the Chief Minister of Orissa. As so, to compound the injury, they are attempting to suppress the freedom of the press.

It is *ki* the newspapers that a police party has travelled inter-State, gone into another State and interrogated the editor of a leading weekly, arrested him and released him on a bail bond. This is a serious thing. Adding to his misbehaviour, adding to the shame that he has brought to the State and to the high office he is holding, this is a blatant attempt by which they are trying to suppress freedom of the press. This is a reflection on the society itself and stringent action should be taken. I demand that he should be dismissed from his office till he is proven innocent. He cannot be allowed to continue like this and if a man has skeletons in his cupboard, he should not be in a high office and if he is in a high office, he should not indulge in such things.
