

Information Technology Bill 2000, which was recently passed by Parliament, contains punitive measures against publication in the electronic form of information which is obscene.

Internet Connections in the Country

2110. SHRI C.M. IBRAHIM: Will the Minister of INFORMATION TECHNOLOGY be pleased to state:

(a) the number of Internet connections, per million population in the country and how it compares with corresponding figures in Karnataka, Madhya Pradesh, Andhra Pradesh, Assam and other States;

(b) what targets, if any, have been fixed in this regard for the Ninth Five Year Plan; and

(c) the State-wise allocation of funds for the purpose?

THE MINISTER OF PARLIAMENTARY AFFAIRS AND MINISTER OF INFORMATION TECHNOLOGY (SHRI PRAMOD MAHAJAN): (a) The number of Internet connections per million population in the country is estimated as 945. The comparative figures, state-wise are given in Statement I-(See below).

(b) The list of Internet nodes planned to be set up in the country by the Government during the 9th Five Year Plan is at Statement-II (See below).

The number of Internet subscribers for the country as a whole in the year 2002 is projected to be 38 lakhs.

(c) The total funds allocated by Department of Telecom Services for the purpose of promotion of internet service in the country during the year 2000-2001 is Rs. 107.46 crores. The allocation is envisaged to be utilized for States depending upon the number of internet nodes planned to be added in different States.
