Appointments of ex-servicemen in these Organisations are generally below the stipulated percentages.

Some of the steps taken by the Government to overcome these deficiencies include:—

(1) The grant of general relaxation in eligibility criteria relating to the upper age limit, and educational qualifications; and the equa-

tion of military trade qualifications with corresponding civilian qualifications.

(2) The vesting of sponsorship powers with Rajya Sainik Boards/ Zila Sainik Boards/Dte. General Resettlement.

(3) Intensified monitoring of the placement of ex-servicemen in Public Sector Undertakings/Government Departments through the Liaison Officer placed in the organisation of the Directorate General of Employment and Training, and the insistence on the appointment of Liaison Officers in all Ministries and Departments.

(4) Attempts at identification of posts particularly suitable for the re-employment of ex-servicemen.

(5) The organisation of relevant training, inter *alia* with the objective of equipping ex-servicemen to effectively compete for employment.

(6) Special placement drives and the pooling of vacancies in large employing organisations is also being contemplated.
