

Policy *BO* that undue or excessive imports do not adversely affect genuine interests of indigenous producers.

Manufacture of Drugs with Foreign Equity Holding

1301. SHRI SHANKARRAO NARAYANRAO (DESHMUKH: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) number of companies having foreign equity more than 26 per cent which «re manufacturing drugs in the country alongwith names and percent age of equity holding by each,

(b) whether it is a fact that his Ministry is not monitoring imports and exports made by individual company;

(c) whether it is also a fact that these companies are importing raw materials from their principals at very high prices and exporting at very low prices?

(d) if so, what system has been adapted by his Ministry to check up over-invoicing/under-invoicmg and

transfer of pacing by these companies; and

(e) names of major bulk drugs and drug intermediates imported by these companies "from their principals and their associates during last three years. year-wise alongwith quantity and CIF Price?

THE MINISTER OF CHEMICALS AND FERTILIZERS (SHRI VEERENDRA PATEL): (a) The relevant information to the extent available is given i) in the endoibed Statement, (*See* below;)

(b) to (d) [Imports and exports made by individual companies are not regularly monitored. However, whenever any specific complaints about over^invoidng/under-invoicling, transfer pricing and irregular imports, etc against individual companies are received, these are looked into and appropriate action is taken in the matter in consultation with other Ministries/Departments involved.

(e) Information, to the extent possible would be collected and laid on the Table of the House.
