

श्री रामानन्द शर्मा

आप तीन पाइन्ट्स नहीं कहने दे रही हैं. . .
(व्यवधान) । इनकी बार-बार मेरे साथ
छेड़खानी होती रहती है ।

मैं तीसरी बात यह कहना चाहता हूँ कि
बिहार सरकार को जल्दी से जल्दी इन तीनों
कंसर्न को, इन तीनों फैक्ट्रीज को टेक-
ओवर कर लेना चाहिये । आप यहाँ से
कार्यवाही कर सकते हैं । मैं भारत सरकार
के माध्यम से बिहार सरकार से चाहता हूँ कि
इन तीनों मिलों को वह अपने हाथ में ले ले ।
भारत सरकार बिहार सरकार की पैसों से
मदद करे ताकि बिहार सरकार इन मिलों को
अपने हाथ में ले सके । अभी कुछ दिन
पहले बिहार राज्य के मुख्य मंत्री यहाँ आये
थे । उन्होंने हम एम० पी० जी० को यह आ-
श्वासन दिया था कि बिहार सरकार खुद इन
मिलों को अपने हाथ में ले लेगी और अपने
आप चलायेगी । हम भारत सरकार से

REFERENCE TO THE LONG-STAN- DING DEMANDS OF PEOPLE OF TRIPURA

SHRIMATI ILA BHATTACHARYA
(Tripura); Madam, I thank you for giving me
a chance to raise an important issue about
Tripura.

Madam, the youths and students in
Tripura have courted arrest on 17th May,
1985 to draw the attention of the Centre to
the legitimate and longstanding demands of
the people of Tripura where 80 per cent of
the population are under the poverty line.
Because of the extreme backwardness of
Tripura due to lack of infrastructural
facilities like railways, road communication,
etc. the people of Tripura are suffering
much. Only 12 kilometres of railway lines
have been laid in Tripura so far. No sincere
effort has been made to set up medium

or large-scale industries there. The demand for the
setting up of a paper mill, a second jute mill and
gas-based industries in Tripura which has been
raised time and again has been rejected. Even diesel
is not provided in sufficient quantity, as Tripura is
totally dependent on diesel. I, therefore, urge the
Government to fulfil the following demands of the
people of Tripura;

The railway line should be extended from
Dharmanagar to Sabroom via Agartala.

Setting up a paper mill and a second jute mill.

Immediate establishment of gas-based industries in
Tripura.

For the upliftment of the condition of the tribals,
more funds should be provided to the Autono-
mous District Council

(5) More funds should be given
to the State for sanctioning of an
employment allowance to the un-
employed youths, and for the deve-
lopment of the State.

Thank you.

REFERENCE TO THE DEMAND FOR CENTRAL ASSISTANCE TO ORISSA TO OVERCOME DAMAGES CAUSED BY RECENT NATURAL CALAMITY

SHRI AKSHAY PANDA (Orissa): Madam
Deputy Chairmen. I want to draw the attention of
the Government of India through you, Madam, that
it is a matter of deep concern that natural calamities
like tornado, cyclone and storm have caused heavy
damage in the districts of Sambalpur, Cuttack,
Balasore and Keonjar of Orissa during the last 15 to
20 days. In Sambalpur there has been a colossal
loss of human, life and cattle and animals, and a
very large scale damage to the dwelling houses of the
public and public institutions also heavy damage

has also been caused to paddy and xabi crops. The State is presently passing through, several drought conditions since September, 1984 as there has been no rain. The Chief Minister has also visited the affected areas and the State Government has given some help to the needy persons. But it is not sufficient. The calamity is of such a nature that help from the Government of India is badly needed. In these circumstances, I would request the Government of India, through you, Madam, that a central team should immediately be deputed to visit the spot and assess the loss and help the State Government.

REFERENCE TO THE ACTIVITIES OF EXTREMIST GROUP IN NORTH- EASTERN REGION

SHRI BIJOY KRISHNA HANDI
QUE (Assam): Madam Deputy Chairman, I rise to mention some disturbing developments in the north-eastern region. As reported in the press, various extremist groups in the north-eastern region have reportedly agreed recently to coordinate their activities to achieve a "separate autonomous region" Under the so-called "Brachin Plan" which envisages formation of a union encompassing the whole of Nagaland, Manipur, Mizoram, Arunachal Pradesh, Meghalaya, the tribal-dominated parts of Tripura, large parts of Assam and Bangladesh's Chittagong hill tracts dominated by tribal population. This, they claim, is a new trend shifting their demand from complete secession advocated by these various groups earlier. The new thesis envisages a separate North-Eastern Region enjoying extensive self-autonomy and only accepting the "tutelage of the India State in select spheres like Defence and External Affairs." This reported new move is just another ruse to continue to destabilise the region in still another form. Finding a

complete secession, which they advocated earlier, rejected by the people they now hit upon a new strategy to do the bidding of some foreign powers which are out to destabilise the region. The very proposal to include a part of a foreign territory like Bangladesh perhaps indicates their intentions. They have reportedly given a fresh call to the people to resort to armed struggle against the Government of India till their demands are met. Against the backdrop of Khalistan movement and the Anandpur Sahib resolution and in the wake of fresh spurt of terrorist activities all around at the moment, this new move acquires a significant note. It appears that there are some attempts on their part to establish contacts and coordination with Punjab extremists. The Government must tighten the law and order machinery and launch a vigorous campaign involving the local indigenous people to bring home to the people of the region that this new move is just a camouflage to their continued terrorist activities.
