centre is not able to cater to even one-third of the population of Mizoram. The Union territory of Mizoram is situated in between Burma on the eastern side and Bangladesh on the western side, and these neighbouring countries have very powerful TV centres. The whole of Mizoram can view the TV programmes of Bangladesh. Even though the people of South Mizoram want to see the Door-darshan programmes and to see the President and the Prime Minister of India on TV and also our national programmes, they are not able to do so because of a very weak TV relay centre in the Union territory. I would request the Government to look into the matter and take suitable action and open a relay [ ] at Lunglei so that the whole of Mizoram could see the Doordarshan programmes. As I have already said, though the people there want to see the Doordarshan programmes, they are not able to do so in the absence of a powerful TV relay centre. I would request the Government particularly the hon. Minister for Information and Broadcasting, to look into the matter and take this up as an urgent matter. Thank you.
