सैनिक स्कूल जनरल कंडीशंस आफ सर्विस हैं उन नियमों की किताब में पेज 3 में खल 12 में यह स्पष्ट लिखा है कि प्रिंसिपल बिना नोटिस दिए किसी भी अध्यापक, किसी भी कर्मचारी को डिस्मिस कर सकता है। उन लोगों को एसोसिएशन बनाने का कोई अधिकार नहीं है, मेमोरेण्डम देने का कोई अधिकार नहीं है। सब बढ़िया जगहों से 15-15, 16-16 साल की नौकरियां छोड़ कर आये थे उनके लिए पेंशन की कोई व्यवस्था नहीं है। ग्रेजुएटों की कोई व्यवस्था नहीं है। ग्रुप इन्सुरेन्स की व्यवस्था नहीं है। मेडिकल रिइम्बर्समेंट की व्यवस्था नहीं है। एनकौशमेंट आफ लीव की व्यवस्था नहीं है। किसी किस्म की एल०टी०सी० की सुविधा नहीं है। जब कि यह सुविधा देश के जितने भी स्कूल हैं चाहें उन्हें कोई प्राइवेट संस्था चलाती हो या राज्य सरकारें चलाती हों या डिफेंस मिनिस्ट्री भी जो अपने स्कूल चलाती है, सब जगह उपलब्ध है। मैं माननीय रक्षा मंत्री जी से आप के जरिये यह कहना चाहता हूं कि यह बहुत बड़ी ज़्यादाती है और आप को चाहिए कि इसमें आप तत्काल हस्तक्षेप करें।

REFERENCE TO THE REPORTED LOW PRODUCTION OF MARUTI CARS

SHRI SHYAM SUNDAR MOHAPATRA (Orissa): Sir, my special mention is about the availability of the Maruti Cars to people and more particularly to the Members of Parliament including you, Sir. I have a few

names who have been blessed with the Maruti Cars from the out-of-turn quota, and unfortunately our Deputy Chairman is not there in the list. Who are the VIPs in this country to get the Maruti Cars? I have a circular from the Maruti Udyog Co. They say that upto March, 1987 their figures of production are like this:

From April, 1985 to March, 1988, only 4,000 to 12,000 cars.

From April, 1986 to March, 1987, it is 12,000 to 24,000.

From April, 1987 to December, 1987, they have no figure.

Sir, Mr. N. D. Tiwari, Union Minister for Industries had said in Parliament that the production of Maruti Cars is expected to reach 21,000 in the 16 months till March, 1985. If that is so, all of us will get a Maruti Car, and then it is to be stepped up to 40,000 in 1985-86, 60,000 in 1986-87-80,000 in 1987-88 and about 100,000 vehicles per year from 1988 onwards.

Sir, which is then correct? Whether Mr. Tiwari's statement in Parliament or the circular of Maruti Udyog Limited under the signature of one Mr. R. C. Bhargava who is the Direc (Marketing and Sales)?

The fact is that, Sir, our production schedule is rather very tardy.

Sir, I had an occasion to visit Mazda Car Company in Japan two years back. Sir, the daily production is 5,000, monthly production is 60,000 and God alone knows how many per year. That is the schedule of the multinationals for coming years. They have a schedule for one decade.

Sir, we have collaboration with Suzuki. What is the production of Suzuki in Japan? What is the production of Isuzu in Japan? What is the production of Mazda in Japan? Why are we not going to produce the same in India? Sir, the Government has a responsibility to tell us about

the slow production of Maruti Cars. The election is coming very near and all of us who are poor people cannot afford a Birla-Contessa Car which is more than a lakh. We cannot afford a new Fiat which is more than a lakh. This is within Rs. 50,000 and if the Government permits banks to give us money, I think, all of us can have this car before the elections.

Sir, I have a long list of people who have got Maruti. They include the judiciary. They include the Governors. Sir, why not Members of Parliament. You call them VIPs. You call them social workers. You call them servants of the people, including you, Sir.

Sir, through you, I request the Government to allot all of us a car before the elections.

MR. DEPUTY CHAIRMAN: You speak for others. But please spare me.
