

Grant of Financial Assistance to Sheep breeders

1291. SHRI M. BASAVARAJU: Will the Minister of AGRICULTURE be pleased to state:

(a) whether there is any proposal under Government's consideration to declare wool as an agricultural commodity for financial assistance to sheep breeders by the National Co-operative Development Corporation/national banks for agriculture and rural development/commercial banks;

(b) if so, what are the details thereof; and

(c) if the answer to part (a) above be in the negative what are the reasons therefor?

THE MINISTER OF AGRICULTURE (RAO BIRENDRA SINGH): (a) to (c) Under the existing provisions of the National Cooperative Development Corporation (NCDC) Act, 1962, wool cannot be declared as a notified commodity. However, NCDC can provide financial assistance to plan and promote programmes, through co-operative societies, for the production, processing, marketing, storage, export and import etc., *inter-alia*, of foodstuffs, which includes meat, whether fresh, frozen dry or preserved. It has, therefore, been considered that the NCDC can provide financial assistance to sheep breeders co-operative societies as meat is also a product of sheep. The NCDC has accordingly been advised to entertain proposals for financing sheep breeders co-operative societies received from the State Governments.

The position regarding the availability of financial assistance to sheep breeders, whether by declaring wool as an agricultural commodity or otherwise from National Bank for Agriculture and Rural Development (NABARD)/commercial banks is being ascertained from NABARD/RBI and the information when received from them

will be placed on the Table of the House.
