

National Highways in Sikkim

*167. SHRI O.T. LEPCHA: Will the Minister of SHIPPING, ROAD TRANSPORT AND HIGHWAYS be pleased to state:

(a) the total length of National Highways constructed in the country particularly in the State of Sikkim during the last three years, State-wise;

(b) whether Government have received any proposal from the States including Sikkim for construction of National Highways;

(c) if so, the details thereof; and

(d) the details of amount sanctioned and released for construction of NHs in the country during this period, State-wise?

THE MINISTER OF SHIPPING, ROAD TRANSPORT AND HIGHWAYS (SHRI T.R. BAALU): (a) Ministry is taking up upgradation/improvement of the existing National Highways only. The lengths of National Highways upgraded/improved, State-wise, including Sikkim during the last three years are given in the enclosed Statement-I (See below)

(b) and (c) 301 proposals amounting to Rs. 1102.54 crore have been received so far from the State Public Works Departments (PWD) during the current year for development of National Highways. As the National Highway in Sikkim is with Boarder Roads Organisation, no proposal has been received from Sikkim PWD tor NH works.

(d) The State-wise details of allocation and expenditure in the last three years for development of National Highways are given in Statement-II.

* No State-wise allocation is made to NHAI and BRO by Ministry. **Excludes borrowing.

Re-launch of GSLV/INSAT-4C

*168. SHRI MANOHAR JOSHI: Will the PRIME MINISTER be pleased to state:

(a) whether the failure of the Geo Synchronous Satellite Launch Vehicle (GSLV) has since been analyzed/probed;

(b) if so, the results thereof;

(c) in what manner this failure would impact on our space research programme;

(d) whether Government have set any schedule for the re-launch of GSLV/INSAT-4C; and

(e) if so, the details thereof?

THE MINISTER OF STATE IN THE PRIME MINISTER'S OFFICE (SHRI PRITHVIRAJ CHAVAN): (a) and (b) A failure analysis committee has been set up with experts from ISRO, academia and national research laboratory to ascertain the reasons of failure. The committee is expected to submit its findings within, one month.

(c) The current failure of GSLV will not affect the on-going programmes of ISRO such as Cartosat-2 launch with PSLV-C7, development of GSLV-Mk-III and Chandrayaan-1 programme.
