#### Trimethoprim and Sulphamethoxazole price

2259. DR. JOSEPH LEON D'SOUZA: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) whether it is a fact that Trimethoprim and Sulphamethoxazole produced by small scale and Indian public sector units are sold at very low prices;

(b) if so, why M/s. Burroughs Wellcome and Roche Products Limited are being allowed to produce Trimethoprim and Sulphamethoxazole in excess of their licenced capacity and also to sell the bulk drugs and formulations of the two drugs at very high prices;

(c) what is the licensed capacity of these two drugs as well as their production by these two foreign companies for the last three years ending 31st December, 1982;

(d) whether Government have issued any instructions for collection

of unintended profits from these two companies for the equalisation account under Drugs Price Control Order; what are the prices fixed by Government for these two drugs and what are their market prices; and

(e) if so, what is the unintended profit on account of Trimethoprim and Sulphamethoxazole of these two companies during the past three years, year-wise?

THE MINISTER OF CHEMICALS AND FERTILIZERS (SHRI VASANT SATHE): (a) Government have fixed the price of Trimethoprim at Rs. 1055 per kg. and that of Sulphamethoxazole at Rs. 390 per kg. w.e.f. 16th February 1983. Some of the producers have informed the Government that they are selling Trimethoprim and Sulphamethoxazole at prices lower than the prices fixed by the Government as maximum selling prices for these drugs.

(b) and (c) The licensed capacities in favour of M/s. Burroughs Wellcome and M/s. Roche Products and actual production during the 3
