Central Sheep and Wool Research Institute in the South

♦388. SHRI M. BASAVARAJU: Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government are aware that at Bellary and Bijapur in the South chances for expending activities of the Central Sheep and Wool Research Institute are very bright;

(b) if so, what is Government's plan to promote the interests of shepherds of South India; and

(c) if the answer to part (a) above be in the negative, whether Government propose to consult the Director and other experts in the field of Sheep and Wool Development to open another Sheep and Wool Research Institute in the South?

THE MINISTER OF AGRICULTURE (RAO BIRENDRA SINGH): (a) The Government of India/Indian Council of Agricultural Research are considering the possibility of starting a Southern Regional Research Centre of the Central Sheep and Wool Research Institute (CSWRI) during the Sixth Plan period. After the proposal is finally approved, an expert committee would be set up to advise on the selection of a suitable site. Bellary and Bijapur could be considered if the State Government so proposes.

(b) Following research centres/projects located in South India are already serving the interest of Sheep
