

THE MINISTER OF SHIPPING AND TRANSPORT (SHRI VEE-RENDRA PATIL): (a) The management of Shipping Corporation of India (SCI) has decided to operate regular bi-monthly service between Japan and West Asia Gulf.

(b) SCI has informed that the Japan/India-Pakistan-Gulf/Japan Conference (JAPERCON) has threatened it with serious consequences in case SCI takes any unilateral action directed towards commencing Japan-Gulf service.

(c) The matter is still under consideration of the SCI.

#### Acquisition of ships

1854. SHRI RAM LAKHAN PRASAD GUPTA:

SHRI LAKHAN SINGH:

Will the Minister of SHIPPING AND TRANSPORT be pleased to state what are the recommendations of the high level committee about long term project for acquisition of ships on realistic basis consistent with trade requirements and the steps taken in relation to each of them?

THE MINISTER OF SHIPPING AND TRANSPORT (SHRI VEE-RENDRA PATIL): The Committee after its study arrived at certain tentative findings. Meanwhile, certain important developments took place in the international shipping scene. The situation is still very fluid. The findings of the Committee need further examination in the light of these developments.

#### M-30 Mini Bus

1855. SHRI D. HEERA-CHAND:

SHRIMATI MONIKA DAS:

Will the Minister of SHIPPING AND TRANSPORT be pleased to state:

(a) what is the frequency of M-30 mini bus which runs between ISBT and Nanakpura;

(b) the number of trips undertaken by the buses on this route during the last six months; and

(c) the steps Government are taken to increase the frequency of buses and to enforce regularity of service on this route?

THE MINISTER OF STATE IN THE MINISTRY OF SHIPPING AND TRANSPORT (SHRI SITA RAM KESRI): (a) The route is operated by two private mini buses having daily schedule of 20 single trips.

(b) The trips operated during the last six months have been as under: —

Month	Trips Under-taken
January, 1982	724
February, 1982	553
March, 1982	783
April, 1982	693
May, 1982	549
June, 1982	546

(c) The plying of these minibuses on this route has been fairly regular. While the present frequency is not possible to be increased in so far as the operations of these two Mini Buses are concerned and due to non-availability of more mini buses, the traffic requirements are satisfactorily catered to by an alternate route No. 602 starting from Priya Cinema to ISBT. The Mudrika services from Nanakpura also provide connection with ISBT.

### **Shipping and Port Capacity**

1857. SHRI PYARELAL KHANDLWAL:

SHRI ASHWANI KUMAR:

SHRI JAGDAMBI PRASAD YADAV:

Will the Minister of SHIPPING AND TRANSPORT be pleased to state:

(a) the targets of shipping and port capacity to be built up during the remaining period of the Sixth Five Year Plan period;

(b) whether the port development programme is behind schedule; and

(c) if so, what steps are being taken to achieve the target?

THE MINISTER OF SHIPPING AND TRANSPORT (SHRI VEERENDRA PATIL): (a) Capacity of major ports is expected to be augmented from over 101 million tonnes as on 31-3-1980 to about 130 million tonnes at the end of the Sixth Five Year Plan.

As regards shipping capacity, the Sixth Plan envisages acquisition of 2.5 Million GRT (net) by the end of the Plan. This would mean acquisition of 3.4 million GRT (gross) after taking into account 0.9 million GRT anticipated to be scrapped during this period. The operational tonnage of the country is expected at 8 million GRT by the end of the Sixth Plan.

(b) Broadly speaking, the development schemes of the major ports have been progressing well.

(c) Does not arise.
