SHRI PILOO MODY (Gujarat): Mr. Deputy Chairman, Sir, after all we are the Parliament of India. In fact, this is a matter which should even exercise the Parliament at Westminster. It should exercise all Parliaments all over the world when a democratic institution which is supposed to function according to certain democratic procedures does not follow such procedures. I think we should be exercised over it. Does n't matter where it took place; and it has nothing to do with the question of jurisdiction. We have to have a debate to re-affirm our belief in democratic institutions and democratic procedures. This has happened in our own country and the Parliament of this country does not take notice of it. I do not think it can be just dismissed out of hand as something that happened in the State of Bihar where anything else can also happen. That does not mean that we do not discuss it here in Parliament.
