

surance from them in this connection. Then, Sir, from our side, we will try to finish it as early as possible. From the ruling party side also, they should try. When everything has ended so well and so happily, I would request the ruling party side to try to see that it finishes exactly at 2 o'clock. After 3 P. M.—it has been agreed, it would be better if we can finish soon after the Question Hour. As far as the other things are concerned—this is my last submission—if we cannot finish before 3 P.M., the small business, the small amendments that are there, can be taken up after 5 P.M. But let there be an assurance that it would start at 3 P.M. So, I would request you to ensure this.

MR. CHAIRMAN: I am afraid, this was discussed with a great show of force and with great, I mean, emphasis in the Business Advisory Committee when Mr. Kulkarni and others debated it rather holily. Now, it has been said that tomorrow it will be done. How much time you should take, I dare not say, because Mr. Piloo Mody will say that I am wasting the time. *(Interruptions)*. About himself he will not say.

SHRI MANUBHAI PATEL: Sir, from our side, we will agree. But we should start at 3 P.M. *(Interruptions)*.

SHRI ARVIND GANESH KULKARNI: Sir, we want your *ashirvad*: we want your *ashirvad* to the effect that it would start at 3 P.M. and co-operation from the Leader of the House will be there.

MR. CHAIRMAN: Both the sides are hard and I cannot do anything. I think it will be done.

SHRI ARVIND GANESH KULKARNI: O.K., Sir.

[Mr. Deputy Chairman in the Chair.]

SHRI HAREKRUSHNA MALLICK (Orissa): Sir, I have got a submission to make".

MR. DEPUTY CHAIRMAN: Now, Papers to be laid on the Table.

SHRI HAREKRUSHNA MALLICK: Sir, there was a question regarding the consumption of Kesari dal. It is a dangerous thing and it is a very serious matter. It is a matter of shame that when the people who consume this suffer because it is poisonous, Minister is sitting silent over this and he is not doing anything. *(Interruptions)*. It is a serious matter. Something should be done. *(Interruptions)* The Minister is not saying anything about it. It is consumed by the people which is poisonous, I want that immediate steps should be taken in this regard. *(Interruptions)*.

MR. DEPUTY CHAIRMAN: Now, Papers to be laid on the Table.
