In some cases the benefit «*

the concessional assessment has been extended to imports of such parts where the Development Commissioner, Small Scale Industries, Ministry of Industry, New, Delhi has certified the approval by him, of the production programme.

Recently a doubt was felt by the Customs authorities at Delhi whether the approval accorded by the Development Commissioner (Small Scale Industries), Ministry of Industry to a production programme could be regarded as approval by the Ministry of Industry in terms of the aforesaid Notification and consequently there was a hold up of the imported consignments.

The question whether the approval accorded by the said Development Commissioner could be regarded as approval by the Ministry of Industry in terms of the aforesaid Notification was examined in consultation with the Ministry of Industry. That Ministry has confirmed that this can be so regarded. Action has since been taken accordingly.
