

श्री लाल कृष्ण आडवाणी (गुजरात) :

उपसभापति जी, अगर माननीय सदस्य ने नोटिस दिया था तो मैं समझता हूँ कि यह उनका अधिकार है, आप उनको सुने बिना... (व्यवधान)

श्री उपसभापति : मैंने उनको सुना नहीं।

श्री लाल कृष्ण आडवाणी : इंट्रोडक्शन स्टेज पर अगर किसी सदस्य ने सूचना दी है कि मैं इस पर आपत्ति या प्वाइंट आफ आर्डर उठाना चाहता हूँ तो सामान्यतः आपको अनुमति दे देनी चाहिए जब तक कोई प्रिबलेंस बात न हो।

श्री उपसभापति : मुझे लगता है कोई प्वाइंट था नहीं। यह तो हर बात पर बोलते हैं। (व्यवधान) नहीं, मैंने नहीं सुना कि वे बोल रहे हैं... (व्यवधान)

श्री लाल कृष्ण आडवाणी : आपको ध्यान न आया हो यह बात अलग है अन्यथा इस मामले में माननीय सदस्य कई बार उठे।

श्री उपसभापति : मैंने उनको देखा नहीं कि वे उठ रहे हैं। (व्यवधान)

All right, he will speak now. But just a moment. Please sit down. Yes, the Minister.

STATEMENT BY MINISTER

II. Alleged Lathi Charge on Congress (U) workers by Police at Boat Club in Delhi on the 20th February 1981 —Contd.

SHRI BHUPESH GUPTA (West Bengal): I have a submission to make. When a statement is made, various groups in the Opposition and from the Government side if they so desire, are allowed to ask questions and seek clarifications. Some friends were allowed, and I am very glad they were. But before we could ask questions the Minister chose to go away. He did not even take your permission to go away. When you asked us to sit down, we thought probably you wanted to call the other Minister for introducing some Bills as he might have some urgent business in the other House and in deference to that we sat down. But I am surprised that we were not only not allowed to ask questions, the Minister went away without even taking your permission. Is that proper? A new procedure is coming in. Just now Mr Sitaram Kesri came to me to ask for our cooperation so that the House could conclude the debate today. Personally I was inclined to cooperate with him. But are we to be treated in this manner? I am not blaming Mr. Kesri for that at all, nor am I blaming you. But it seems that we are moving towards a situation when the whole thing is becoming more and more of a farce in some ways. Here is a statement and there are other Members sitting on this side

who wanted to seek clarifications; I wanted to ask questions and seek clarifications. We wanted to make certain suggestions. But We were not allowed. I would not ask now. Therefore, this is what I would request you: I give a motion—the statement be taken into consideration Let it be discussed. There is a motion. There is a picture vision for it. For the last several years that provision has been given a go-bye. In the old days very often we did discuss such things. Now we are at the tender mercies of I do not know whose. If we are to be treated as charity boys, then it is better not to make such statements asking for cooperation and all that. Let them do as they think they can. I don't say Sir, you intentionally did, it took somehow or other circumstances Happened that way. My complaint is not against you. I told Mr. Makwana "Wait for a few minutes". I thought you might again continue after introduction of the Bills. But he did not even listen to us. It is a contempt towards the Members. See how they are treating us. I am not using any harsh words. We are getting used to this kind of thing. I do not know how long we will survive in this institution or the institution itself will survive....

SHRI MANUBHAI PATEL (Gujarat) :
The Chair also. ..

SHRI BHUPESH GUPTA: I do not blame the Chair at all.

SHRI MANUBHAI PATEL: The Chair also said he should remain present. But he left. It is an insult to the Chair.

SHRI BHUPESH GUPTA: Therefore, I am not at all blaming the Chair. I have no complaint against the Chair. In fact I was under the impression that in due course the Chair might call me. But I find, over-riding the Chair, over-riding the House and over-riding the Members, we have this Police Minister. This is not good. Will you kindly tell him? Here is the Leader of the House
