(b) if so, what are the reasons therefor?

THE MINISTER OF STATE IN THE DEPARTMENT OF GOAL IN THE MINISTRY OF ENERGY (SHRI GARGI SHANKAR MISHRA): (a) and (b) Due to price escalation of inputs some proposals have been initiated by Coal India Limited. No decision has been taken by Government in this regard.

### **Small Hydro Electric Power Potential**

1215. SHRI ROSHAN LAL: Will the Minister of ENERGY be pleased to state whether it is a fact that a national policy to develop small power stations is under Government's consideration in view of its substantial potential of 25,000 million KW?

THE MINISTER OF STATE IN THE MINISTRY OF ENERGY (SHRI VIKRAM MAHAJAN): Government attach great importance to the development of micro hydel power. This is an activity that would have to be undertaken by the respective States in which the potential exists and Micro hydel scheme costing less than Rs. 1 crore do not require statutory clearance from the Central Electricity Authority. However, Ministry of Energy have offered to make available to the States the technical assistance that may be required by them in this regard. Also the State authorities have been advised to ensure that provisions are made for generating power by utilising waters released from Dams/Canals being built for irrigation purposes.
