Certain instances of import of Vitamin A Acetate and intermediates for manufacture of Betamethasone by this company have also come to light and the matter is being looked into. As regards violation of Foreign Exchange Regulation Act, no such instance has come to the notice of the Government. As regards price, Government have issued a notice to the Company dated 29th June, 1981 asking the company to pay the difference between the price of the bulk drug they enjoyed in the formulations based on Betamethasone Alcohol Betamethasone 17-Valerate and Betamethasone Di Sodium phosphate and the price as fixed by the Government with effect from 12th May, 1981, into the Drug Price Equalisation Account. A separate notice has been issued to

them to pay the difference between Rs. 236.84 per gram being the price of the bulk drug, Betamethasone Di Sodium Phosphate enjoyed by them in formulation, and a price of Rs. 220.00 per gram being the price declared by them with effect from 31st March, 1979, into the Drug Prices Equalisation Account. M/s. Further action against the Company under DPCO 1979 would be dependent on the judgement of the Delhi High Court on their Writ Petition.

(b) and (c)- No instructions have been issued or/are proposed to be issued to Reserve Bank of India/ Ministry of Finance to stop remittances of dividends and other remittances by this Company at this stage.
