

(f) the steps taken by Government to integrate and uplift these minorities?

THE MINISTER OF STATE OF THE MINISTRY OF MINORITY AFFAIRS (SHRI SALMAN KHURSHEED): (a) to (e) The Sachar Committee had used, inter-alia, data of 55th Round (1999-2000) and 61st Round (2004-05) of National Sample Survey (NSS). The Ranganath Mishra Commission had used, inter-alia, data of 55th Round (1999-2000) and 2001 Census. Report of 64th Round (2007-08) of NSS indicates that Muslims enrolled at secondary level of education from among those in education system is 10.2% which is higher than 9.8% for Scheduled Tribes (ST). The enrollment at secondary level of education for Scheduled Castes (SC) and Other Backward Classes (OBC) is 11.3% and 12.5% respectively. Muslims currently attending educational institutions at secondary level are 5.0% in urban area and this is higher than 4.5% for Muslims in rural area.

(f) Government has taken a number of steps for the welfare of minorities and these include, the Prime Minister's New 15 Point Programme for the Welfare of Minorities which was announced in June, 2006. It promotes inclusive development by ensuring that a certain proportion of development projects are located in minority concentration areas and, wherever possible, 15% of targets and outlays under various schemes included in the programme are earmarked for minorities. It also provides for programme specific interventions for the welfare of minorities through introduction of new schemes. Three scholarship schemes are implemented and 37.14 lakh scholarships have been awarded to the students belonging to minority communities since 2007-08. A special area development programme called Multi-sectoral Development Programme is implemented in 90 minority concentration districts. Under this programme 6749 additional class rooms and 559 school buildings have been approved for these districts. The Government has taken several decisions on the follow-up action on the recommendations of the Sachar Committee and these include several initiatives for improving the conditions of minorities including Muslims.

†2362. SHRI PRABHAT JHA: Will the Minister of MINORITY AFFAIRS be pleased to state:

†Original notice of the question was received in Hindi.

- (a) whether it is a fact that Prime Minister's 15 point programme is being run to pay special attention to population of minorities in the country;
- (b) if so, the details thereof;
- (c) whether it is a fact that in spite of large population of minorities in the country, required number of officers and employees for Government work concerning this class are not available;
- (d) if so, the reasons therefor, and
- (e) if not, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF MINORITY AFFAIRS (SHRI SALMAN KHURSHEED): (a) and (b) The Prime Minister's New 15 Point Programme for the Welfare of Minorities announced in June, 2006 provides for programme specific interventions. An important aim of the new programme, inter-alia, is to ensure that the benefits of various government schemes for the underprivileged reach the disadvantaged sections of the minority communities. In order to ensure that the benefits of schemes included in the programme flow equitably to minorities, the new programme envisages location of a certain proportion of development projects in minority concentration areas. It also provides that, wherever possible, 15% of targets and outlays under various schemes included in the programme should be earmarked for minorities. Notable achievements of the new programme for 2009-10 are given in the Statement-I (See below). The achievements are also available on Ministry's website at www.minorityaffairs.gov.in.

(c) to (e) The Prime Minister's New 15 Point Programme for the Welfare of Minorities provides for giving special consideration to minorities in recruitment of police personnel, Central police forces, Railways, nationalized banks and public sector enterprises and for this purpose, the composition of selection committees should be representative. In pursuance of this, the Department of Personnel & Training (DOPT) had issued instructions on 8th January, 2007.

The number of officers and employees from these minority communities recruited in Central Govt, offices, Public Sector Undertakings etc. during 2006-07, 2007-08 and 2008-2009 indicating an improving trend is given in Statement-II.
