

Hydro project in J&K

2396. SHRI G.N. RATANPURI : Will the Minister of POWER be pleased to state:

(a) the progress on construction of hydro power projects announced under the Prime Minister's Reconstruction Programme by NHPC in Jammu and Kashmir;

(b) the amount spent on construction of NHPC power projects and the revenue earned till 31st March, 2010 by each one of them in the State; and

(c) the reasons for delay in transfer of Dul-Hasti Power Project, as promised by the Prime Minister to the State?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRI BHARATSINH SOLANKI):
 (a) and (b) The progress of construction including expenditure incurred on hydro power projects of NHPC in Jammu & Kashmir (J&K), announced under Prime Minister's Reconstruction Programme (PMRP), till 31.3.2010 is given in Statement (See below). Dulhalsti HEP (390 MW), which was commissioned in March 2007, has earned total revenues of Rs. 2972.36 crores till 31.03.2010. No other hydro-electric project of NHPC under PMRP has been commissioned so far.

(c) Dulhasti HEP has been implemented by NHPC in Central Sector. The power generated from the project has already been allocated to various States in the Northern Region (including J&K). As such, transfer of the project from NHPC to the State Government of Jammu & Kashmir is likely to entail substantial financial as well as non-financial and legal problems. The Government of J&K have also been informed appropriately in this matter.

Statement

*The progress of construction and Expenditure incurred on
 Hydro Power Projects of NHPC*

Sl. No.	Name of the Project	Progress	Expenditure (Cumul.) as on 31.3.2010 (Rs. in Crore)
1	2	3	4
1.	Sewa-II HE Project (120 MW)	Units 1, 2 & 3 have been declared under commercial operation on 29.06.2010, 24.07.2010 & 02.07.2010 respectively.	946.96

1	2	3	4
2.	Pakal Dul (1000 MW) - Kiru (600 MW) - Kwar (520 MW)	MOU for execution of Pakal Dul and other Hydro-Electric projects aggregating to installed capacity of 2120 MW through a Joint Venture among NHPC, JKSPDC and PTC India Ltd. was signed on 10.10.2008. NHPC has been directed to complete the formalities for formation of above-mentioned Joint Venture Company.	143.16
3.	Bursar HE Project (1020 MW)	It has been decided that NHPC would carry out Survey & Investigation and preparation of DPR for Bursar Project considering both the options namely Hanzal and Pakal sites to derive maximum strategic benefit. A proposal for funding the cost of survey and investigation and preparation of DPR has been submitted to Ministry of Water Resources/Planning Commission.	72.11
4.	Uri-II HE Project (240 MW)	All works of the project are progressing in full swing. The project is programmed for commissioning in February, 2011.	1082.33
5.	Kishanganga HE Project (330MW)	The works of the project have been awarded for turnkey execution to M/s Kishanganga Consortium (HCC) on 22.01.2009. The contractor has mobilized at site and works are in progress at various fronts. The Project is scheduled to be commissioned in January 2016.	289.32
6.	Nimoo Bazgo (45 MW)	Although this project is not part of the original PMRP, it was taken up in lieu of Srinagar - Leh 220 kV transmission line. All works of the project are progressing in full swing. The project is scheduled for commissioning in December 2010.	444.69

1	2	3	4
7.	Chutak HE (44MW)	Although this project is not part of the original PMRP, it was taken up in lieu of Srinagar - Leh 220 kV transmission line. All works of the project are progressing in full swing. The project is scheduled for commissioning in February 2011.	413.98
8.	Dulhasti HE Project (390 MW)	The Project has been commissioned in March 2007.	5228.49 (completion cost)

Power generation targets

2397. DR. K.V.P. RAMACHANDRA RAO: Will the Minister of POWER be pleased to state:

(a) the details of the targets set and achievements made for power generation during the last three years;

(b) the total amount of funds allocated/sanctioned during the Eleventh Five Year Plan along with the expenditure; and

(c) the investments made by public and the private sector in the power sector during the said period, State-wise?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRI BHARATSINH SOLANKI):

(a) Details of electricity generation vis-a-vis targets in the country during the last three years are given below:

Year	Generation Target (Billion Unit)	Actual Generation (Billion Unit)	Achievement (%)
2007-2008	710.00	704.47	99.2
2008-2009	774.34	723.79	93.5
2009-2010	789.51	771.55	97.7

Note: The figures Include import of power from Bhutan
