SHRI BHUPESH GUPTA (West Bengal): Sir, I would like to ask him what he means by saying "time permitting". We do not know what exactly he means, it is for him to find the time. The matter is important, But . . .

MR. DEPUTY CHAIRMAN: Please go on.

SHRI BHUPESH GUPTA: I have to finish now, Sir.

MR. DEPUTY CHAIRMAN: Just wait. I have to read out something and then you speak.

SHRI BHUPESH GUPTA: All right. You allow me afterwards.

6. Motion for reference of the Visva-Bharati (Amendment) Bill, 1978, to a Joint Committee.	On Thursday, the 14 August, 1980

SHRI BHUPESH GUPTA (West Bengal): Sir about the business, he has said, Mr. Sitaram Kesari has said, "time permitting". He has said that, time permitting, he will consider the matter. It is for the Government to find the time. Certainly, time can permit. If you have again to get time and if it is made an excuse for not taking it up, then, I do not know how we are going to settle it. Now, Sir, it seems that next week we will be left with three days at the most. We had demanded a number of discussions and I do not know what will happen to them. Sir, many things are coming to light. I think one or two days should be left for them, should be devoted to them. For example, I have got before me a Bombay journal carrying a story, "The Indian Defence Sell-out to the Pentagon". Now, the Government should take up this matter and we should have a chance because we shall not meet for three months or so. Now, it seems that the Centurion tanks are being sold to certain Michael who is sending them to South Africa. He was doing it in the past. We have information to the effect that a deal has been arrived at with a West German for buying up arms including submarines. Now, all these things, I hope the Minister will agree with me, are serious matters and we should be allowed to have some discussion.

With regard to the other things, Sir, I will not take your time by going into them. I want only that this we should cover because this is a serious matter. Now, Sir, I have received many other pieces of information also with regard to Mr. Joe Kozarek, who has been connected with civil aviation and who was the Managing Director of a Company. Some papers say, and some American papers also have said, that the ill-starred aircraft, Pitts S2A, originated from him. It has been gifted to someone here. Now, this is a very serious thing. I do not know where we stand. We have come to know that they have sent somebody to America for investigation to be done with him who sent that dangerous plane. These are matters which

should be looked into and which should not be allowed to go by default. I let an inquiry be there, I have no faith in this inquiry at all. But even so, Sir, I would like to know whether these people are operating here and we should like to know how the Government is going to deal with the other questions.

These subjects, Sir, should be discussed. I do not think we have treated the matter properly. Parliament cannot just wash its hands clean when materials have been placed before it. This week, the *Indian Express* carried the same news saying how the plane came to India, who gave us this plane and who are the people responsible. (*Tim o bell rings*). It mentioned about Joe Kozarek. The matter was raised in Lok Sabha when Lai Bahadur Shastri was the Minister in charge of Communications.

MR. DEPUTY CHAIRMAN: You have mentioned the items. That is all.

SHRI BHUPESH GUPTA: Therefore, I say that this should be discussed in this session, I submit that our defence need is a very serious matter. The Government should clarify its position. We are absolutely apprehensive. There are forces who would want our defence to be involved with other countries and to deal with Pentagon and particularly with West Germany in the name of technical know-how. Apart from that our Centurion tanks are proposed to be sold at throw-away prices to be again diverted to South Africa.

SHRI S. W. DHABE (Maharashtra): I would only want to suggest that in view of the fact that a number of business items remain to be taken up, I would request that the House should be extended for one or two days so that the business is transacted. We would be meeting after three months after this session.

श्री हुस्मदेव नारायण यादव (बिहार) :
श्रीमन् . . .

श्री उपसभापति : आप क्या कह रहे हैं ?

श्री हुस्मदेव नारायण यादव : हमने भी लिख कर भेजा है। हमारी आपत्ति यह है कि मैंने कई बार सभापति महोदय के पास लिख कर भेजा है कि देश के अन्दर जो व्यापक पैमाने पर, और खास कर हमारे बिहार में कसबवा और दरभंगा में हरिजनों पर पुलिस के द्वारा इतने अत्याचार हुए हैं जिसमें एक जगह चार और एक जगह तीन हरिजन मारे गये। मैंने यह लिख कर दिया था कि सदन में हरिजनों पर हो रहे अत्याचार और महिलाओं के साथ बलात्कार पर चर्चा हो और यह इस में इन्क्लूड की जाय। दूसरे मैंने सभापति महोदय को लिख कर दिया था कि देश की पूर्वांचल सीमा पर, उत्तर-पूर्व सीमा पर अराजकता और हिंसा की स्थिति बनी हुई है जिससे देश की सीमा पर खतरा है? बराबर समाचार आते हैं कि लोग विदेश जाकर ट्रेनिंग लेकर आते हैं। इस के बारे में सदन में बहस होनी चाहिए। पुरा मामला सदन के सामने आये जिस से हम पूर्वांचल को समझ पाये। मैंने एक और मामला सभापति को लिख कर दिया था कि देश में गांवों में बसने वालों की आबादी 100 में 80 है, इसलिए सदन में भी 100 में 80 समय उन को मिलना चाहिए। उनके लिए कोई समय ही नहीं मिल पाता।

श्री उपसभापति : ठीक है। सदन की कार्यवाही पीने चार बजे तक के लिए स्थगित की जाती है।

The House then adjourned
for lunch at forty-three
minutes past two of the clock.

The House re-assembled after lunch at forty-seven minutes past three of the clock., The Vice-Chairman (Shri Dinesh Goswami) in the Chair.
