#### Promotion of export of several varieties of cardamom grown in Sikkim

\*332. SHRI LEONARD SOLOMAN  
SARING: SHRI LALSAWIA: SHRI  
T. ALIBA IMITI:

Will the Minister of COMMERCE be pleased to state:

(a) whether it is a fact that several varieties of cardamom grown in Sikkim are not getting any good export market;

(b) if so, what are the reasons therefor; and

(c) what steps are being taken to promote the export of these varieties of cardamom?

484 RS—2

THE MINISTER OF COMMERCE AND STEEL AND MINES (SHRI PRANAB MUKHERJEE): (a) to (c). A statement is laid on the Table of the House.

#### Statement

(a) and (b). Export of large cardamom mainly grown in Sikkim is steadily increasing as will be seen from the following figures:—

Year	Exports	
	Qty. in tonnes	Value in (Rs. lakhs)
1974-75 . . .	70	9.5
1975-76 . . .	92	12.3
1976-77 . . .	104	12.1
1977-78 . . .	218	42.7
1978-79 . . .	392	64.0

(c) Cardamom (large) has been brought under the purview of the Cardamom Act, 1965 from 14-7-1979, thereby making Cardamom Board responsible for development and export of this variety of cardamom. In this connection, following measures have been taken:—

(i) A regional office, four sub-offices and two market-intelligence offices of Cardamom Board have been set up during 1979-80 in Sikkim and West Bengal.

(ii) A market survey for large cardamom in Singapore, Afghanistan, Pakistan, Hongkong, Malaysia and Bangladesh under the assistance from International Trade Centre/Swedish International Development Agency for investigating the possibilities for expansion of export trade in these countries and also to locate new and potential markets, has been approved by Government.

(iii) Export of this item is allowed during 1980-81 under Open General Licence—3 to all permissible destinations and private parties can export without any restriction.
