THE MINISTER OF STATE IN THE MINISTRY OF DEFENCE AND DEPARTMENTS UNDER THE CHARGE OF PRIME MINISTER (SHRI C. P. N. SINGH): (a) and (b) A statement is attached.

#### Statement

The Army has been occupying lands in Jammu and Kashmir on hire/ requisition from 1947 onwards and some lands have been vacated and fresh lands occupied from time to time. As on date, about 20,600 acres are held under requisition and about 350 acres on hire, totalling about 20,950 acres.

It is presumed that the term "Abi Khushki" means unirrigated lands. The minimum rental compensation fixed under J & K RAIP Act in respect of various categories of land, including Abi Khushki, is as under: —

Category of land	Rates per Kanal per annum	
	Jammu Division	Kashmir Division
	Rs.	Rs.
1. Class I Irrigated	138	185
2. Class II		
(a) Irrigated	85	100
(b) Unirrigated (Abi Khushki)	60	90
3. Class II — Uncultivable	16	16
4. Fruit bearing orchards	150	214

The competent authorities can fix rent at higher levels, where justified, based on local conditions.

In cases of hiring, rentals are fixed at the time of hiring, having regard to prevalent rates for similar land requisitioned under J & K RAIP Act, likely yield from the land-and, where, ever necessary the local authorities are also consulted.

According to information readily available, fixation of compensation and rentals is yet to be finalised in about 115 cases. These are at various

stages of finalisation and local Defence Lands and Cantonment authorities are taking action to finalise them as expeditiously as possible.
