Loss of revenue due to surrender of phones

312. SHRI N.R. GOVINDRAJAR:
SHRI KALRAJ MISHRA:

Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether the number of surrendered and disconnected phones of Bharat Sanchar Nigam Ltd., and Mahanagar Telephone Nigam Ltd. has crossed 50 lakhs during the last two financial years;

(b) the details thereof and loss of revenue in view of the surrender and disconnection of phones;

(c) the number of consumers who have surrendered their fixed line telephones all over the country since the inception of cellular phone services; and

(d) the steps taken by Government to improve the situation and safeguard the interest of the employees in both the organizations?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) Yes, Sir.

(b) The details of surrendered and disconnected phones of BSNL and MTNL during the last two financial years are furnished below:-

Year	In Lakh	
	BSNL (Surrenders/ Disconnections)	MTNL (Surrenders/ Disconnections)
2002-03	17.93	4.67
2003-04	32.60	9.76

Surrenders/disconnections happen due to various reasons including surrender of additional landline due to improved services, migration to mobile connections and also quality services from two operators etc. The spare capacity is reutilized for providing new telephone connections. The number of over all working connections (Fixed+WLL+GSM) are increasing. It cannot be said that there has been revenue loss due to these surrenders/disconnections.

(c) Details landline surrendered are given in the enclosed Statement-I for BSNL and Statement-II for MTNL. (See below)

(d) Various steps taken to improve the situation are as follows:

- (i) Upgradation of technology
- (ii) Improvement in customer care services
- (iii) Offering more customer friendly tariff plans
- (iv) Intensive training to various segments of employees
- (v) Offering more value added services
- (vi) Offering services through call centers
- (vii) Recently Broadband has been deployed which is expected to prevent churn and lead to increase in revenue.
